

Dear Parent / Carer,

Welcome back and a Happy New Year to everyone!

Following my decision to retire, the school governors have been putting much time and thought into planning my replacement. They fully intend that the leadership of the school will be secure and in good hands next September in order that all the improvements we have made will continue strongly. They are keen to keep you well-informed about the changes and you will receive a letter from the Chair of Governors early next week outlining the way forward for the school.

You may remember that at this time last year we wrote about strategies to help children become not only strong readers but also keen readers for pleasure! Many of you took part in our questionnaire which really helped us understand the children's reading habits outside school. We made a number of refinements to our strategies in school and this year we are in the process of setting up a new system called 'Accelerated Reader'. This will initially be introduced to Years 3 and 4 and then rolled out to Years 5 and 6. The programme links online learning and quizzes with real books in our library – it will really excite the children! It will take a little time to set up but it should be up and running by half-term. Of course nothing will replace the joy of reading for pleasure with someone at home and we would encourage you to continue this all the way through school.

As this term gets underway, we are starting a push on handwriting and spelling in line with the new national curriculum. As well as all the work in Literacy and Numeracy, there are exciting projects planned that cover other areas of the curriculum and give opportunities for children to apply their literacy and numeracy skills. Each Year group's newsletter entry will give a bit more detail but below is a summary of some of the exciting opportunities ahead:

	Projects on...	Visits to..	Other
Year 3	The world of Ancient Greece	Using the school grounds for work on <i>fossils & rocks, plants & seeds.</i>	Visit from Mad Science Invitation assembly for parents Book Café
Year 4	China Dragons!	Whitwell Hall – countryside in winter	Invitation assembly for parents Book Café
Year 5	Vikings and Norway Roman settlers	Theatre Royal (Horrible Histories) Castle Museum (Romans workshops)	NSPCC Visitor on keeping safe Book Café
Year 6	Space – the final frontier!	Visiting scientist	NSPCC Visitor on keeping safe Book Café

Safe Use of The Internet

All the children are taught in school about safe use of the internet. Our work in ICT lessons includes introducing them to *edmodo.com* which is a safe educational social platform on which children can learn how to interact safely online. We have been made aware that some children are using an online social website called Omegle, at home. We think that children are unwise to use this site. A quick search throws up the following quote about Omegle:

"Omegle is a free online-chat website that allows users to communicate with strangers without registering. The service randomly pairs users in one-on-one chat sessions where they chat anonymously using the handles "You" and "Stranger"."

We are very concerned about the unregulated and unmonitored nature of this website – and that the prime purpose seems to be to encourage communication with strangers! We have discussed it with children in assembly and wish to draw your attention to the potential dangers using Omegle and similar websites.

Year 6 News

We are delighted to welcome Mrs Robinson in to Year 6 this term for two days a week. On these days we will run extra maths and literacy sets, as well as extra group work to help prepare pupils for the upcoming national tests in May and high school.

We have provided each pupil with maths and punctuation and grammar books to help them in the run up to May. This will form part of our weekly homework.

Reading remains a key focus and part of our weekly homework regime. The more regularly children read the better they do! Please keep recording the reading your child does at home in their Learning Journal.

Mathletics is set each week. Often the children need a piece of paper and pencil to help them with calculations, as the questions are too tricky to do in their heads!

Our new project this term is Space. We hope to have a Space Exhibition on Thursday 13th February.

On Friday 31st January a team of boys and girls will be playing in the CSF Premier League Tournament at Bowthorpe. This is the first round of the Norwich City knock out stages. The eventual winners will go on to represent Norwich at the Premier League Final at the Etihad Stadium, Manchester. Last year we reached the Norwich round final and lost in extra time, missing out on a trip to Anfield!

The Year 6 football and girls leagues will start up again around half-term. The Year 6 team finished joint top of the Autumn league with White Woman Lane Junior School and will go in to one of the elite leagues for the Spring Term!

We have Mr Paddy Venner working with all three classes for 8 weeks on the Activate programme starting on Tuesday 25th February.

Our next Book Café is on Thursday April 3rd at 2:00pm to approximately 2:45pm so put this date in your diaries!

Diary

January	Mon/Tue 20 th /21 st	Y5 & 6 NSPCC workshops
	Thu 30 th	Y4 Road Safety presentations Y4 Book Cafes 2pm
February	Mon 3 rd	Two Y4 classes to visit Whitwell Hall
	Mon 10 th	Third Y4 class to visit Whitwell Hall
	Tue 11 th	Y3 Book Café 2pm
	Mon 17 th	Half-term week
	Mon 24 th	School re-opens
	Tue 25 th	Parent Consultation meetings
March	Wed 26 th	Y5 visit to Theatre Royal Parent Consultation meetings
	Thu 6 th	School Disco
	Wed 12 th	Y5 to Norwich Castle
	Thu 27 th	Y5 Book Café 2pm
	Mon 31 st	Y4 to Whitwell Hall residential week
April	Thurs 3 rd	Y6 Book Café 2 pm

After school clubs this term

Monday	Thursday	Friday
Martial arts (SESMA) (20 th Jan – 24 th Feb) (Yrs 5 & 6)	Street Dance (Kelly Lumsgrove) (Yrs 3,4,5&6)	Football (Community Sports Foundation) (Yr 3&4)
